 - **Symbol:** \$MERWA
 - **Total and Max Supply:** 64,543,676
 - **TAX:** 0%
- Contract Address:** EKpWT56hTNof6xJ3Mt5srvSQydpEnWHj9T8aSHgRMJvu
-

3. Mission and Vision

Mission

MemeRWA aims to become a pioneering meme coin by harnessing the strength of community engagement and the innovative power of blockchain technology. Our mission is to integrate the RWA sector into meme culture, creating a unique and engaging ecosystem where users can participate in the financial revolution.

Vision

We envision a world where memes and blockchain technology coexist to offer users a fun, engaging, and financially rewarding experience. MemeRWA strives to lead this new frontier, bridging the gap between real-world assets and the dynamic world of memes.

4. Roadmap

Stage 1: Foundation

- **Meme Creation:** Develop and distribute engaging memes to generate initial interest and engagement.
- **Launch:** Officially launch \$MERWA on decentralized exchanges.
- **Dexscreener Listing:** Secure a listing on Dexscreener to enhance visibility.
- **RWA Bot News:** Implement a bot to deliver the latest RWA news to our community.
- **Community Building:** Foster a vibrant, engaged community through social media and online forums.
- **Coingecko Listing:** Achieve a listing on Coingecko to increase token visibility.

Stage 2: Growth

- **HODL Campaign:** Encourage holders to retain \$MERWA for long-term benefits.
- **Strategic Partnerships:** Form partnerships with key stakeholders to enhance the ecosystem.
- **Market Cap Milestone:** Reach a \$10 million market cap.
- **Expand Holder Base:** Grow the community to over 10,000 holders.
- **CEX Listing:** Secure listings on centralized exchanges to improve liquidity.

Stage 3: Expansion

- **Lambo Milestone:** Celebrate community achievements and significant milestones.
- **Mass Adoption:** Increase the holder base to over 100,000.
- **Tier 1 CEX Listing:** Secure listings on top-tier centralized exchanges.
- **RWA Services Development:** Continuously improve and develop services related to real-world assets to ensure \$MERWA remains at the forefront of the sector.

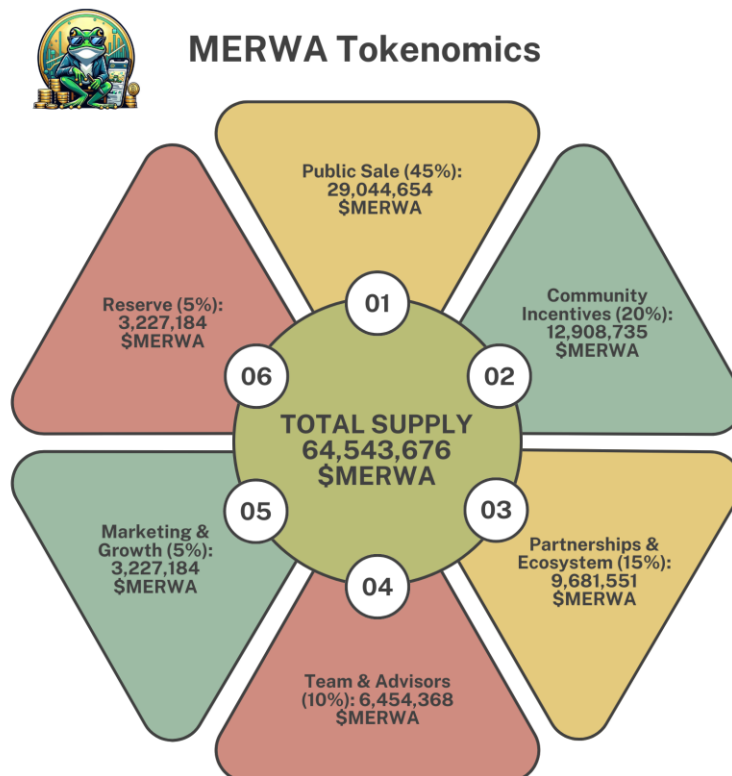

5. Community Engagement

Community is at the heart of MemeRWA. We are dedicated to building a strong, engaged, and vibrant community. Through regular updates, interactive events, and open communication, we aim to foster a sense of belonging and shared purpose among our holders.

Engagement Strategies

- **Social Media Presence:** Active engagement on platforms like Twitter, Telegram, and Discord.
 - **Interactive Events:** Regular AMAs, meme contests, and community votes.
 - **Transparent Communication:** Regular updates on project progress and milestones.
-

6. Tokenomics

Total Supply: 64,543,676 \$MERWA

Distribution

- Public Sale (45%): 29,044,654 \$MERWA

Initial Distribution: Allocated to the public through decentralized exchanges (DEXs) for immediate trading and liquidity.

- Community Incentives (20%): 12,908,735 \$MERWA

Community Building: Support initiatives that enhance community engagement and participation.

- Partnerships & Ecosystem (15%): 9,681,551 \$MERWA

Strategic Partnerships: Allocate tokens to partners that can help grow the \$MERWA ecosystem.

Development Fund: Support ongoing development and improvement of RWA services and platform enhancements.

- Team & Advisors (10%): 6,454,368 \$MERWA

Team Allocation: Reward the team for their contributions and incentivize future performance.

Community Events: Support community growth initiatives and events.

- Reserve (5%): 3,227,184 \$MERWA

Future Needs: Hold in reserve for unforeseen needs, future projects, or additional partnerships.

Utility

Governance: \$MERWA holders can participate in governance decisions, voting on key proposals and changes to the platform.

Conclusion

The \$MERWA tokenomics are designed to ensure a fair and balanced distribution, incentivize long-term holding and engagement, and support the growth and sustainability of the ecosystem. By aligning the interests of the community, team, and partners, \$MERWA aims to create a thriving and robust ecosystem in the RWA sector.

7. Security Measures

Security is paramount in the cryptocurrency world. MemeRWA is committed to maintaining a secure and trustworthy ecosystem.

Security Protocols

- **Smart Contract Audits:** Regular audits by reputable firms to ensure contract security.
- **Transparent Operations:** Open and transparent communication regarding project developments and security practices.
- **Community Reporting:** Encouraging community members to report any suspicious activities.
